Be part of our 18 week program which includes Wednesday afternoon training and games on a Saturday morning.

Season 1 is open to all players aged 4 turning 5 years old, 5 turning 6 years old and 6 turning 7 years old.

VP Magic FC will allow player development in training and games. This is a great way of capturing the imagination of young players, giving them a great football experience. Training sessions take place inside a skills square focussing on different skills each week, such as dribbling, one v one's, passing, overloads, turning and shooting. Games take place on an FFA age appropriate field (4x4).
